

November 2017

Dear Mequon Friend,

Every breath you take... thanks to the foresight and generosity of our Mequon neighbors, the Mequon Fire Department has been able to purchase a laryngoscope, which has already saved the life of one Mequon resident. This state-of-the-art device aids patients who are not breathing on their own. While no one plans on needing a laryngoscope, it provides peace of mind knowing the Mequon Fire Department has one available.

If you appreciate the level of commitment and inherent value that our volunteer firefighters add to the safety of our community, please consider helping the Mequon Community Foundation reach its fundraising goal of \$5,500 to purchase two more laryngoscopes so that all three Fire Department ambulances are outfitted with these life-saving devices.

In addition to this laryngoscope initiative, a charitable contribution to the Mequon Community Foundation improves our beautiful parks, strengthens our historic organizations and ensures the added protection provided by our Police Department's K9 unit. Whether it is a gift to a specific project or to our endowment fund, the Mequon Community Foundation supports the amenities that make Mequon a special place to live.

Since 1999 we have granted more than \$700,000 to projects consistent with our mission to enhance the quality of life for the residents of Mequon.

Please join us in building a strong sense of community in our beautiful city. Thank you in advance for your gift to the Mequon Community Foundation.

Sincerely,

A handwritten signature in black ink that reads 'Kathy Pederson'.

Kathy Pederson
President

**Please return the enclosed envelope with your donation
or make your contribution online at our website: www.mcfgives.org**

Our Mission – Since 1999, our mission has been to enhance the natural, cultural and educational resources in Mequon by helping the community to maintain high quality institutions, facilities and services that are not funded through tax dollars.

Our Successes – Over \$700,000 has been donated by Mequon residents and businesses for many local projects.
